## Delivering Hope to Israeli Children

*by R. David Weisskopf, chairman*

In the first year having our own delivery vehicle, the Love for Israel Relief Fund has been able to pick up and deliver much more aid and for lower costs. We have been able to pick up and deliver over \$100,000 worth of donated computer systems for use as computer labs at career training centers for single mothers, job training centers for refugees, and schools for at-risk children.

Other deliveries have included back-to-school deliveries at the beginning of the school year, assisting network partners during the brief war with Hamas, and helping transport people to projects in hard-to-reach areas where there is no public transportation.

We can affordably tap into a nationwide network for warehouses, suppliers, universities, army bases and other NGO's to pick up and deliver humanitarian aid which includes donated clothes, donated medical supplies, donated infant supplies – the possibilities are numerous.

Many non-profits need to spend over \$50,000 to purchase each delivery vehicle which requires a special license to operate and is very difficult to maneuver through inner city streets where the neediest children live. The Love for Israel Relief Fund's donated vehicle can be operated on a standard driver's license. Our ongoing costs to maintain this vehicle are made possible thanks to your generous donations.

The monthly upkeep such as gas, insurance, oil changes, repairs, etc. averages out to \$500 per month. This maintenance expense pays for itself after only 2 deliveries compared with paying for delivery service. What is more, each load can handle a full pallet of aid with enough supplies to deliver to multiple schools and community centers.

The Love for Israel Relief Fund appreciates your ongoing partnership. With your donations we will be able to continue making these important deliveries. Simply designate your donations to “Kango” to sponsor deliveries. On behalf of needy children in our communities who you help, thank you for your Love of Israel.

**Our Holiest** work is advocating on behalf of at-risk Israeli children. This not only saves lives, it also saves over 90% on taxes and donations. A growing number of our national leaders from across the social and political spectrum are responding positively to our exhortations on behalf of these little treasures from Heaven. Your support empowers us to give a voice to children who cannot speak out for themselves.

**Support Our Soldiers** is our project providing assistance for lone soldiers during the Holiday season. Our first priority is to help over 150 orphans serving in the IDF and also approximately 6,000 lone new immigrants in the IDF. The number of lone soldiers we help depends upon the amount of designated funds we receive.

**Special events**, like weddings and bar mitzvahs, happen year round for hundreds of at-risk kids and needy young adults in Israel. Donations designated “special events” will be set aside for such use.
