New Delivery Vehicle . . . Sorta

by R. David Weisskopf, chairman

The Love for Israel Relief Fund has a 2001 Renault Kangoo to use for pick-ups and deliveries. This Kangoo is best-suited for Jerusalem's mountainous and congested traffic conditions. It is small enough to fit into the same parking spaces economy cars. Its custom design; which includes a high roof, large cargo area and diesel engine, allows it to haul tons of cargo through Israel's mountainous terrain.

This is why the Israeli Post Office uses these as their official delivery vehicles. Such a delivery vehicle has also significantly improved the Love for Israel Relief Fund's ability to pick up donated humanitarian aid from local donors and

make deliveries to populations suffering from the highest levels of child poverty in Israel.

In the last few months we have been able to pick up and deliver over \$100,000 worth of donated computer systems for use as computer labs at career training centers for single mothers, job training centers for refugees, and schools for at-risk children. We can affordably tap into a nationwide network for warehouses, suppliers, universities, army bases and other NGO's to pick up and deliver humanitarian aid which includes donated clothes, donated medical supplies, donated infant supplies – the possibilities are numerous.

Many non-profits need to spend over \$50,000 to purchase each delivery vehicle which requires a special license to operate and is very difficult to maneuver through inner city streets where the neediest children live. The Love for Israel Relief Fund's delivery vehicle can be operated on a standard driver's license. Thanks to the generosity of Auto City in Jerusalem, Jewish Jewels in Ft. Lauderdale, The Olive Branch Institute in Cincinnati, and your donations – the Love for Israel Relief Fund's costs on this Kangoo were reduced repairs and maintenance.

We are excited to maximize our efficiency like this. There continues to be monthly upkeep such as gas, insurance, oil changes, repairs, etc. The total upkeep averages out to \$500 per month. This maintenance expense pays for itself after only 2 deliveries.

The Love for Israel Relief Fund appreciates your ongoing partnership. With your donations we will be able to continue making these important deliveries. Simply designate your donations to "Kangoo" to sponsor deliveries. On behalf of needy children in our communities who you help, thank you for your Love of Israel.

Our Holiest work is advocating on behalf of at-risk Israeli children. This not only saves lives, it also saves over 90% on taxes and donations. A growing number of our national leaders from across the social and political spectrum are responding positively to our exhortations on behalf of these little treasures from Heaven. Your support empowers us to give a voice to children who cannot speak out for themselves.

Support Our Soldiers is our project providing food for lone soldiers during the Holiday season. Our first priority is to help over 150 orphans serving in the IDF and also approximately 6,000 lone new immigrants in the IDF. The number of lone soldiers we help depends upon the amount of designated funds we receive.

Special events, like weddings and bar mitzvahs, happen year round for hundreds of at-risk kids and needy young adults in Israel. Donations designated "special events" will be set aside for such use.
