Love for Israel and IDF joint delivery of aid to needy children.

Let's Deliver Aid Together

Since 2011 we have been able to pick up and deliver over \$500,000 worth of humanitarian aid using our delivery vehicle. Previously we had to pay expensive delivery fees to other companies who had to make the deliveries for us. Thanks to the generosity of Olive Branch, Jewish Jewels and Auto City, we gained exclusive access to a delivery vehicle in 2011 which allows us to deliver aid in congested inner city areas.

We also have always been able to tap into a nationwide network for warehouses, suppliers, universities, army bases and other NGO's for humanitarian aid which includes donated clothes, donated medical supplies, donated infant supplies – the possibilities are numerous.

Many non-profits need to spend over \$50,000 to purchase each delivery vehicle which requires a special license to operate and is very difficult to maneuver through inner city streets where the neediest children live. The Love for Israel Relief Fund's delivery vehicle can be operated on a standard driver's license. Thanks to your donations, the Love for Israel Relief Fund's costs on this vehicle were reduced to routine maintenance.

We are excited to maximize our efficiency like this. Though we have save over 90% on delivery costs, the monthly expenses average out to \$400 per month. This expense for upkeep pays for itself after only 2 deliveries.

Summer is a busy time for us as the children are off from school and aid requests increase. Some of our partners request our assistance for summer camps and building projects.

We invite you to partner with us on our deliveries. Donations that cover one month's expenses for the delivery vehicle will entitle you to a partnership sign on the delivery vehicle for that month expressing our gratitude. We will make sure to give credit to our partners as we deliver aid to the poor in Israel.

The Love for Israel Relief Fund appreciates your ongoing partnership. Your donations, both large and small, enable us to continue making these important deliveries. Simply designate your donations to "Deliveries" to sponsor deliveries. On behalf of needy children in our communities who you help, thank you for your Love of Israel.

Our Holiest work is advocating on behalf of at-risk Israeli children. This not only saves lives, it also saves over 90% on taxes and donations. A growing number of our national leaders from across the social and political spectrum are responding positively to our exhortations on behalf of these little treasures from Heaven. Your support empowers us to give a voice to children who cannot speak out for themselves.

Special events, like weddings and bar mitzvahs, happen year round for hundreds of at-risk kids and needy young adults in Israel. Donations designated "special events" will be set aside for such use.
