Love for Israel & Hebrew U. Offer Scholarships to Lone Soldiers

by R. David Weisskopf, chairman

The Love for Israel Relief Fund is proud to announce our partnership with Hebrew University to provide scholarships for lone soldiers returning from Gaza. Operation Protective Edge began in July after the kidnapping of three Israeli teens was followed by a barrage of rockets that threatened children in every major Israeli city.

For nearly two months our soldiers had the mandate to dismantle the terrorist infrastructure that endangered the lives of children playing in Israeli parks. Most IDF soldiers themselves are just 18-21 years old. Among these soldiers are those who defend our country without families of their own. We call these “lone soldiers”.

Among the approximately 6,000 lone soldiers in the IDF, over 100 are orphans. Most lone soldiers are immigrants whose

family support systems are far away in other countries. Orphan lone soldiers are youth defending our country without any family support at all. It is because of these orphans that the Love for Israel Relief Fund aids the larger population of lone soldiers.

This most recent conflict in Gaza was especially traumatic for lone soldiers. Nobody anticipated that terrorists would force children to fight their battles for them and act as human shields. Oftentimes lone soldiers found themselves in heart-wrenching battles where young children were firing machine guns at our troops while full-grown terrorists cowered behind the little children.

Now that these lone soldiers are returning from such a horrific battlefield, some of them qualify to study at Hebrew University. The Love for Israel Relief Fund is proud to

partner with Hebrew University to provide scholarships for these lone soldiers. We consider them to be our adopted family.

We believe our adopted family of lone soldiers deserve the best education without financial worries. Not only is Hebrew University Israel's top university, it is among the world's top 25 universities. After bravely defending our families under such harsh conditions, these scholarships are the least we can do to show love for our adopted lone soldiers.

The Love for Israel Relief Fund invites you to join our partnership with Hebrew University and adopt lone soldiers with these important scholarships. These scholarships help lone soldiers turn their recent traumas around and begin their journeys to successful careers. On behalf of these lone soldiers, thank you for your love of Israel.

Our Holiest work is advocating on behalf of at-risk Israeli children. This not only saves lives, it also saves over 90% on taxes and donations. A growing number of our national leaders from across the social and political spectrum are responding positively to our exhortations on behalf of these little treasures from Heaven. Your support empowers us to give a voice to children who cannot speak out for themselves.

Delivering hope is an ongoing project that delivers aid to needy children in Israel. Expenses for the delivery vehicle are \$500 per month. This allows us to pick up and deliver up to \$100,000 in aid per delivery. You can also sponsor deliveries for one month or more with a sponsor sign on the delivery vehicle for your sponsored deliveries. Donations designated “delivering hope” will be applied to operational costs of the delivery vehicle.

Special events, like weddings and bar mitzvahs, happen year round for hundreds of at-risk kids and needy young adults in Israel. Donations designated “special events” will be set aside for such use.
